LET YOUR LOVE FLOW

INTRO: C //// C //// C ////

^C
There's a reason for the sunshiny sky

There's a reason why I'm feeling so high

^{G7}
Must be the season when those love lights shine, ^C all around us

So let that feeling grab you deep inside

And send you reeling where your love can't hide

And then go ^{G7} stealing through the moonlit night, with your ^C lover ^{G7}

^F
Just let your love flow like a mountain stream

^C
And let your love grow with the smallest of things

^{G7}
And let your love show and you'll know what I mean, it's the season ^C ^{G7}

^F
Let your love flow like a bird on the wing

^C
And let your love bind you to all living things

^{G7}
And let your love shine and you'll know what I mean, that's the reason ^C ^{G7}

There's a reason for the warm sweet nights

And there's a reason for the candle lights

^{G7}
Must be the season when those love lights shine, ^C all around us

So let that wonder take you into space

And lay you under it's loving embrace

^{G7}
Just feel the thunder as it warms your face, you can't hold back ^C ^{G7}
